1 McCarthy is the only officer that you're
2 complaining about?

3 A. Yes. None of the other officers like I said that
4 showed up -- there was no other escalation with
5 them on that issue.

6 Q. Now my question is where were the other officers
7 standing when you were -- you stated you saw? Do
8 you know where the female was or the male?

9 A. I think the female officer was on my left. If I
10 can recall, I remember looking to my left, which
11 would have been facing down West Newton Street,
12 and I could look out onto Huntington Avenue, so if
13 I'm correct she was on my left, and they were just
14 if I'm correct standing here, so he came from
15 behind and grabbed me by the collar and by this
16 time I'm in the cuffs and, you know --

17 Q. And you said your face -- he slammed your head and
18 face on the car?

19 A. Yeah, on the roof of the car. It was my right
20 side.

21 Q. So the other officers that were there would it be
22 fair to say that they had a clear view of what was
23 going on? They weren't like behind a building or
24 behind --

1 A. No, no. They could all stand and they were all in
2 the same vicinity. Nobody was in the car that I
3 can recall or looking down the street or -- you
4 know, like I said, I mean, I had my chest up
5 against the car, so I don't really know what was
6 going on behind me, just on the side of me.

7 **SERGEANT DETECTIVE WHITE:** Sergeant
8 Eddings, is there anything you'd like to add?

9 **INQUIRED OF BY SERGEANT EDDINGS:**

10 Q. Just a quick question. You stated you got
11 transported to the station. Who took you to the
12 station?

13 A. I was transported to the station by -- if I'm
14 correct -- I think it was the female officer and
15 the male partner that showed up if I'm correct. I
16 think it -- yeah, I think it was the same vehicle
17 that they pulled up in coming up St. Botolph and,
18 you know, as you get to the end of St. Botolph to
19 go across, it's that intersection, so they pulled
20 in to the intersection to the left like they was
21 going to go down and you would get on Huntington
22 Avenue. I think it was their car -- their vehicle
23 that I was transported.

24 Q. Do you recall any other units responding?
